

**EVERY**

**Every Employee,  
Every Interaction within  
the Company.  
With NEWWORK Every.**

**NEWWORK Every is a mobile app which offers a powerful and comprehensive approach: a fully integrated, people-centric mobile platform that connects collaboration, workflow management, and HR functionalities in one seamless experience.**

At NEWWORK Software, we believe that your people are your greatest asset. The Employee App Every is designed to empower every individual in your organization, giving them the tools they need to stay engaged, productive, and connected. This is more than just enabling communication; it's about creating a platform that fosters a culture of collaboration, transparency, and continuous improvement.

## Key Benefits

**People-Centric:**

Empowers and engages employees at every level.

**Unified Platform:**

Combines collaboration, workflow, and HR functionalities.

**Scalable:**

Grows with your organization's needs.

**Streamlined Operations:**

Reduces errors and enhances efficiency.

**Enhanced Decision-Making:**

Real-time data integration supports quick, informed decisions.

---

## Key Features

**Collaboration and Communication:**

Real-time chat, audio/video calls, news, updates, and intranet.

**Workflow Management:**

Integrated task management and request handling.

**HR Integration:**

From basic employee profiles to advanced HR+ functionalities.

**User-Friendly Interface:**

Easy to implement with minimal training.

**Easy Compliance Management:**

Share, approve and collect.

---

## Results and Added Value

**Increased Productivity:**

Streamlined workflows lead to faster task completion.

**Higher Engagement:**

Employees are more connected and motivated.

**Operational Efficiency:**

Reduced reliance on multiple disjointed tools.

**Improved Decision-Making:**

Access to real-time data across all functions.

## Integrated Collaboration Tools

The NEWWORK Every App features NEWWORK GLUE, a robust collaboration suite that includes real-time chat, audio, and video communication tools, along with a dynamic intranet for company-wide updates. These tools ensure that all employees stay connected and informed, fostering a collaborative environment that enhances productivity.

---

## Advanced Workflow Management

With NEWWORK FLOW, you can streamline your organization's workflows by automating tasks and requests. This feature allows managers to send tasks and important updates directly to employees, ensuring prompt action. Employees can also initiate requests to various departments, creating a two-way communication channel that boosts efficiency and responsiveness.

---

## Seamless HR Integration

Starting with basic HR features such as employee profiles and organizational charts, the NEWWORK Every App easily integrates with NEWWORK HR+ for more advanced functionalities like Absences, Onboarding, and Recruiting. This integration provides a consistent and comprehensive user experience across all aspects of people management, supporting your organization's growth and adaptability.

## Ready to Empower your People?

NEWWORK Every is your first step towards building a people-centric organization. It's more than just an app—it's a strategic tool designed to enhance communication, strengthen connections, and empower your employees to do their best work. Start your journey with NEWWORK today and discover the difference a truly people-centric platform can make. Every employee, every interaction within the company with NEWWORK Every. Contact us now to schedule a demo and see how NEWWORK Every can transform the way your organization connects and collaborates.

# A Platform built for People-Centric Innovation

NEWWORK Every is more than just a tool – it's the foundation for your journey towards a fully integrated, people-centric enterprise.

By starting with the Every App, you lay the groundwork for future innovations, enabling your organization to continuously evolve and adapt with a unified, people-first approach.

---

## Value-Add for Customer Companies

### **The NEWWORK Advantage: A People-Centric Enterprise OS:**

Choosing NEWWORK means choosing a platform that empowers your employees, engages them in meaningful ways, and integrates their daily tasks into a cohesive system that supports your entire organization. Begin with the Every App as your foundation, and seamlessly expand into the full NEWWORK People-Centric Enterprise OS, setting your organization on the path to sustainable success and continuous innovation.

### **Easy Implementation, Immediate Impact:**

NEWWORK Every integrates effortlessly with your existing systems, making it easy to implement without disrupting your current operations. Designed for broad use across your organization, the app ensures high adoption rates and immediate impact. Its intuitive interface and user-friendly design mean that employees can start using it right away, with minimal training required.

### **Seamlessly Expand Your Capabilities:**

As your organization embraces NEWWORK Every, you can seamlessly expand into additional NEWWORK functionalities, such as HR+ (which includes modules for Absences, Expenses, Onboarding, and Recruiting) and advanced Sales+ capabilities. This flexibility ensures that the NEWWORK platform grows with your business, continuously adding value and supporting your evolving needs.
