

EXPENSES+

**Revolutionize your
Expense Management.
Effortless, Efficient,
and Empowering.**

Efficiently managing expenses and travel costs is paramount in today's dynamic business world. NEWWORK Expense+ is designed to simplify and optimize expense management, providing a seamless, user-friendly experience for employees and administrators alike.

NEWWORK Expenses+ is part of the NEWWORK HR+ solution, offering an intuitive, AI-powered platform for managing expense claims. From collecting receipts to managing expense claims. From collecting receipts to automating reimbursements, NEWWORK Expenses+ streamlines the entire process, ensuring compliance and keeping track of your finances.

Key Benefits

Efficiency:

Streamline expense management with automated processes.

Compliance:

Ensure adherence to company policies and local regulations.

User-Friendly:

Intuitive interface for easy expense submission and approval.

Real-Time Insights:

Access to real-time data and analytics for better decision-making.

Employee Satisfaction:

Speed up reimbursements to enhance employee satisfaction.

Key Features

AI Integration:

Automate expense reporting and VAT reclaims.

Mobile App:

Manage your expenses with a few clicks on-the-go.

Real-Time Approvals:

Approval of expense tasks done quickly and accurately with our FLOW concept.

Compliance Tool:

Built-in compliance features ensure your travel and compliance guidelines.

Global Configuration:

Easy and seamless adaptation to any local legal requirements.

Results and Added Value

Reduced Processing Time:

Automate repetitive tasks and eliminate paperwork.

Enhanced Accuracy:

Minimize human errors with AI-driven guidance and data extraction.

Cost Savings:

Optimize expense tracking and reduce manual efforts.

Improved Employee Morale:

Get a quick reimbursement and boost employee satisfaction.

Streamlined Audits:

Easy audit trails with automated receipt capture and storage.

Automated Expense Management

NEWWORK Expenses+ leverages AI to recognize travel data, scan receipts, and pre-calculate allowances. This automation reduces manual efforts, accelerates the reimbursement process, and ensures accurate expense reporting.

Mobility Accessibility

With a dedicated mobile app, employees can submit and manage their expenses anytime, anywhere. The app allows for receipt scanning, automatic data extraction, and on-the-go expense tracking, ensuring a smooth and efficient process.

Compliance & Audit Trails

Built-in compliance features help enforce travel and expense policies automatically. Custom workflows and approval processes detect policy violations in real-time, preventing fraudulent claims. Automated audit trails capture and store receipts, simplifying financial reporting and audits.

Full Feature List

Automated Expense Management

- AI-driven receipt scanning and data extraction
- Automated VAT reclaims and expense reporting

Mobile Accessibility

- Expense submission via mobile app
- On-the-go receipt scanning and data entry

Real-Time Approvals

- Configurable approval workflows
- Embedded analytics for swift decision-making

Compliance Tools

- Automatic policy enforcement
